

# Con Add-Ons

Name \_\_\_\_\_

Because the following prices are **not** calculated to include the fees that paypal charges, I would very greatly appreciate it if payments are made by personal check.

If you absolutely must pay by paypal, please either 1) mark the transaction as "personal" and "gift" (you'll have to select those options, since they are not the defaults), or select the option to pay for the paypal fee on your end.

All fees are non-refundable

Make checks payable to:

Laura Goist  
4033 Hopkins Rd.  
Youngstown, Ohio 44511

Or by paypal: ok\_good\_ok\_fine@yahoo.com
