POTENTIAL SAN DIEGO CON ADD-ON OPTIONS

If you have registered for the 2023 San Diego convention, please mark your interest in any of these potential add-on days, or send it along with your registration form/payment. Note that we cannot yet provide costs for these add-ons, as transportation costs cannot be formalized this far in advance, nor can we be sure current ticket prices will hold for July 2023. We have provided only **current** ticket prices for informational purposes and **no** costs for transportation.

Some of these options were provided at earlier San Diego conventions but are included here as they were popular and fans might wish to repeat certain experiences.

A check mark by a listing indicates interest only, to help us with our planning. This is **not** a sign-up sheet. And if you have another idea not listed, add it for consideration!

San Diego Zoo [*Today's cost for entrance only – not including transportation or box lunch– is \$65*] (there are fast-food options at the Zoo)

Safari Park (this is another large animal park run by the same organization that runs the Zoo) [*Today's cost for entrance only – not including transportation or box lunch– is \$65*] (there are fast-food options in the Park)

Lions, Tigers and Bears (big cat and exotic animal rescue) [*Today's cost for entrance only – not including transportation or box lunch– is \$38*]
