

Welcome to New Jersey!

You will be happy to know that there is plenty of convenient transportation in the immediate vicinity of our hotel. There is a bus stop, a light rail station and a ferry all in walking distance from the Sheraton's front doors.

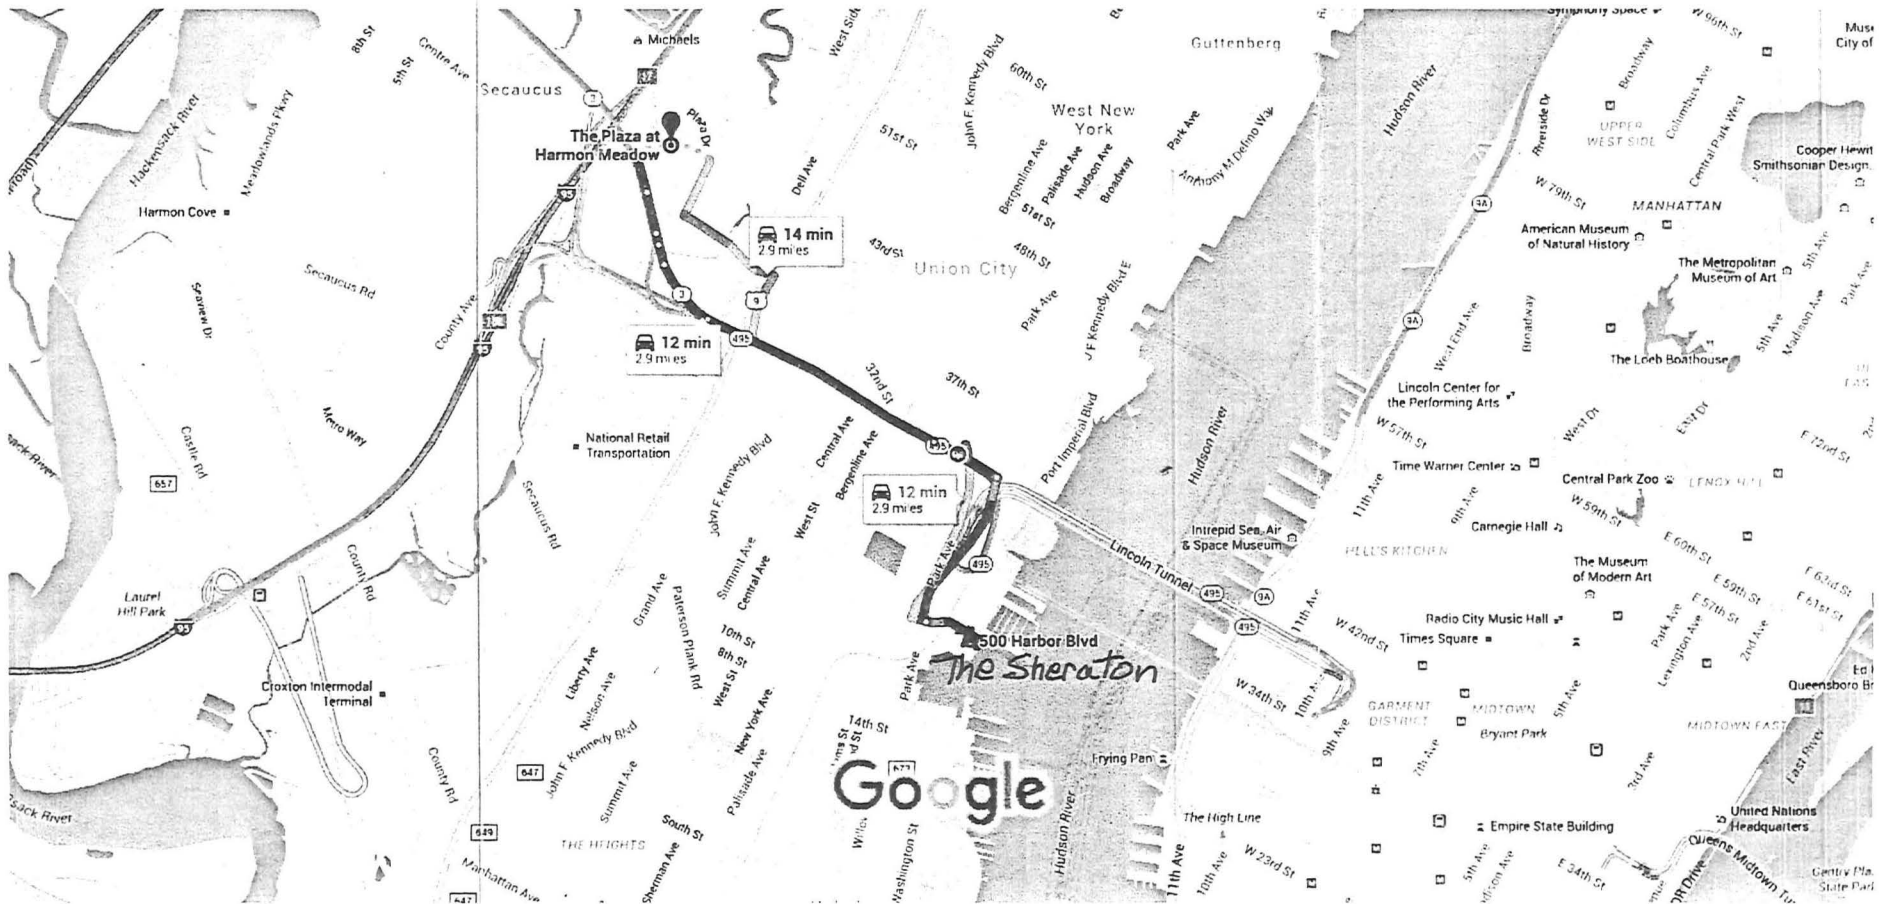

- The **two ferry passes** included with your registration are in this packet. You can use them whenever you'd like. Each ticket is one way and you do not have to use both tickets on the same trip. The ferry stops right in front of the hotel on the New Jersey side, and brings you to Midtown Manhattan at West 39th Street.
- If you exit the front of the hotel and walk to your left a short way down the waterfront, you will come to a **bus stop**. The bus will take you into NYC's Port Authority Bus Terminal which is located on 42nd Street and 8th Avenue.
- If you exit the hotel and walk back toward the main road (see map below) you will see the **light rail station**. A light rail schedule is included in this packet. The Hudson-Bergen light rail will take you up and down the New Jersey side of the Hudson River. Hoboken is the next town over and is great for walking around. Hoboken is the hometown of Frank Sinatra and Carlo's (The Cake Boss) Bakery. The Light Rail Station will also take you to the Hoboken train station. You can get into New York City on the train as well.
- Finally, if you do have a car, there is an excellent shopping center close by. **The Mill Creek Mall and The Plaza at Harmon Meadow** in Secaucus are only 12 minutes away by car. Head West on Route 495/Route 3. These adjacent outdoor shopping centers have restaurants such as The Olive Garden, The Bonfish Grill, Panera, Subway, and Outback Steakhouse. There is also a Walmart and a Sam's Club.
