

"Beast"

by Barb Alterman

(a poem that I dreamed that Vincent was saying to C.)

I'd rather be a 'beast'
Who's forced to live 'apart'
Than one who may have wealth & fame,
But does not have a heart

My beauty is deep within....
My face...strange...hidden by hair,
But my heart beats strong and true...
And all I want.....if I dare!
Is to give all my love to you.
